Rules

Fed. R. Evid. 611(c).....	16
---------------------------	----

A series of horizontal black bars of varying lengths, some with a small gray segment at the start, representing a data visualization. The bars are arranged in a vertical stack, with the longest bar in the middle and the shortest at the top and bottom. The gray segment is located at the beginning of the bar that is the second from the bottom.

The image displays a vertical stack of 20 horizontal bars. Most bars are solid black. Two bars, the 7th and 14th from the top, contain small white segments at their left ends. The 14th bar also features a small gray segment immediately following the white one. The bars vary in length, with the 7th bar being the longest and the 14th bar being the shortest.

The image displays a series of 20 horizontal bars, stacked vertically. The bars are predominantly black. Two bars, the 8th and 15th from the top, feature a small grey rectangular segment at their leftmost end, followed by a black segment. The remaining 18 bars are entirely black. The bars vary slightly in length, with most spanning the full width of the image and a few being shorter.

[REDACTED]

A series of horizontal bars of varying lengths, mostly black, with some light gray bars interspersed. The bars are arranged in a vertical stack, with some bars having small light gray segments at their left ends. The bars vary in length, with some being nearly full-width and others being significantly shorter. The light gray bars are positioned at the top, followed by a black bar, then another light gray bar, and so on, creating a pattern of alternating colors. The bars are set against a white background.

The image consists of a single, uniform black rectangle that fills the entire frame. There are no discernible features, text, or patterns other than the solid black color.

The image consists of a single, uniform black rectangle covering the entire area. There are no discernible features, text, or patterns.
