Hi [REDACTED]

The good news is that I got your email. I am not sure what happened the first time but I think I must have deleted it by mistake as it went to bulk for some reason. I am however having a little bit of hassle. Due to me applying so late I am unable to send my application online due to technicalities which is very frustrating considering the whole thing has been filled out and is waiting to be submitted. Please can you ask Jeffery what the plan of action is as I cant apply online and need to apply asap otherwise I definitely wont be able to study. Please could you also let him know that I am now 57kg and that everything is going well in Cape Town. My South African number is [REDACTED] so if you could get back to me tomorrow that would be great. Also please send my regards to everyone and give Jeffery my SA number. I hope you are well and will send you some warmth from my side of the world.

Hi [REDACTED]

I will fax my application to you later on today as I am not able to email it. Could you also please tell Jeffery to phone me on the number I gave asap as I am not prepared to go under 56kg in order to study at FIT. I also need a flight booked back to New York so could you please check with Jeffery. The date that I would like to fly back is the 27th Feb.

Thanks very much

Sarah

Hi [REDACTED]

Sorry for the delay. Here is my essay and thank you for letting me know that you received my application otherwise I would start to worry. Also I really do need a flight booked back to New York preferably the 27th as it is high season here and there might not be any available flights at the end of the month. Can you please check with Jeffery and let me know.

Thanks ever so much

Sarah

PS Could you also let him know that I am going to three different modelling agencies on Monday in search of a PA.

The fish are biting.
